Subject: Griffin Residuals Update

Gentlemen,

I just wanted to give all of you the good news. Griffin and the property owner on the site adjacent to the WPCF have reached a deal for the sale of the property, closing is anticipated within the next 90 days. This was the last major hurdle towards advancing this project with the goal of starting operations at the end of 2027 / beginning of 2028.

Thanks,

Tony
